

THE ALL IMPORTANT HOLY COMMUNION

We hear of many believers who, at this point in time, are regularly partaking of the Holy Communion even daily. Praise God! It is a wonderful MOVEMENT God Himself is bringing in action to the glory of His Son, our precious Saviour.

Now without going too deeply in on the full meaning of this awesome, divine ritual – indeed to be taken “as often as you are gathering together” (Paul, 1 Cor. 11) – let me share something I feel driven to share with you. Great testimonies indeed of awesome healings are often shared BUT

THE **BIG** BUT.....

Did you know that Paul also instructed the believers to do EVERYTHING in Jesus Name (Col. 3.17)?

Did you know that the Holy Communion and Baptism go along? (Rom. 6). **So why call the baptism in Jesus Name a heresy?** I have often heard this from “successful” preachers who are campaigning for Christ.

Why call Peter who was filled with Holy Spirit when he gave the command on baptism on Pentecost Day, unstable? Whilst preaching and praying for the sick, and to this day, is done in Jesus Name?

Did you as a *Christian* believer know that God the Father wants us to do everything (!) in His Son's Name? Besides, it is the Son of God who died on Calvary giving us the surety of healing, redemption, deliverance from bondage, a new life after death? All worked by JESUS on the Cross of Calvary for your and my benefit! And ALL TO THE GLORY OF GOD THE FATHER WHO SENT HIS SON INTO THE WORLD TO SAVE SINNERS (1 Tim. 1.15)!

Not to forget the essential baptism in Holy Spirit speaking in tongues and which was also sent in Jesus Name by God the Father (Jn 15; Acts 2.33). We so often hear how the baptism in Jesus Name is rationalized by, ironically, those who live from the gospel of Jesus Christ! They devise all kinds of ideas just to side-step Jesus Name in baptism. But the worse is calling it a **heresy**. (Did you know who was responsible for this type of rejection of Jesus Name in baptism?)

So stop striking the Rock (=Jesus)! God has overlooked the errors and ignorance of the past, but as from now on, preach the gospel as it should be preached (Peter said something to this effect when he defended the crucified Jesus, stressing His exaltation by God the Father after His resurrection from the dead.

And don't boast in healings happening at the Holy Communion whilst not being prepared to bring Jesus FULL HONOUR AND PRAISE also in water baptism!

Ester Blomerus

Defender of the gifts of the Holy Spirit to this very day as well as the baptism in Jesus

Name! This is the Name God is going to lift up very high in these last of last days before the return of our precious and only Lord Jesus. And know too that persecution is definitely at our door. So make sure that you are hiding in JESUS!

I am a Pentecostal teacher at heart and therefore, for many, many years I have done everything in my power, on God's instruction, to stand up for Jesus! It has indeed been a long and difficult road among the Pentecostals and Charismatics who have always gone out against Peter's baptism, but thank God, He has kept me faithful! Also many who believe in the Holy Spirit baptism as well as baptism in water (immersion) in His precious Name!

So

Live the life God requires of you!

Cleanse your heart and mind in the blood of Jesus!

Stop slandering and rejecting those who baptize in Jesus Name and who live for Jesus in dedication of spirit and in holiness!

Stop follow in the footsteps of false teachers - know that God wants YOU to follow Jesus as this is the way of LIFE!

Jesus desires those who preach to bear the fruits of the Spirit (Gal. 5).

Let those who love Jesus begin to pray for a true Holy Spirit refreshing in Jesus Name!

Don't fight the will of God! Succumb willingly to it and wait and see what God is going to do for YOU!
